

Leader Board & Points

- The leader board function has two options, one is 'Community' and the other is 'Personal'. Personal only shows the score you have achieved and does not attempt to rank or show you rankings against other learners in the platform.

- The Community option will rank you and show your rank against all other learners in the platform, usually to create an inclusive, gamified experience on the LMS.

A screenshot of the tessello Leaderboard page. The header includes navigation icons for back and home, a search bar, and navigation icons for a home page, calendar, globe, and a notification bell. The user's profile is shown in the top right corner with the name '#1' and '13,900' points. The main banner area displays the text 'Leaderboard' and 'See where you are on the Leaderboard and where other members of your team are! A record of everyone's points so far.' A blue button labeled 'Points' is in the top right corner of the banner. Below the banner is a table showing the leaderboard rankings.
